Fe wnaeth Cynghorwyr Cyngor Bro Trawsgoed ystyried y cais a gofynnir i Swyddogion Cynllunio edrych ar faint y datblygiad arfaethedig, a fyddai'n edrych allan o le mewn perthynas â'r cartref ac os oes angen adeilad mor fawr ar gyfer garej ddomestig o ran uchder a hyd yr adeilad.

Mae'r Cynghorwyr Bro yn bryderus, os oes angen adeilad o'r maint yma i gadw casgliad o gerbydau a welir cynnydd mewn traffig i ac o'r eiddo gan fod mynedfa'r eiddo wedi'i leoli ar darn o ffordd prysur a pheryglus.

Response from Trawsgoed Community Council

Trawsgoed Community Councillors considered the application and would ask Planning Officers to look at the size of the intended development and if it would look out of place in respect to the proportion of the accommodation on the property and if such a large built is needed for a domestic garage in terms of height and length of the building.

The Community Councillors question that if there is a need for such a sized building to house a selection of vehicles would there be an increase in traffic to and from the property as the property entrance is situated on a busy and hazardous piece road.
